

ISTA NUI Galway 2014

ISTA Conference Physics Misconceptions Workshop

If you teach JC or LC physics and have missed out on recent workshops

Register for this workshop to:

Enjoy the uplifting conversation with supportive like-minded colleagues

WATT'S COOL ABOUT PHYSICS??

Experience inquiry based demonstrations

Explore common misconceptions and how they can be identified and supported

Explore ICT resources to stimulate and enhance understanding of physics principles both for you and for your students

SCIENCE ON STAGE IRELAND

Much of the content may be customised for Junior Cycle.

Some surplus resource CDs from 2013/14 will be available for participants

NUI Galway Saturday April 12th @ 10.45am
